

# Saint Christopher School

July 31, 2018

Dear Parents,

Although many schools in the area have already started their school year, it is still hard to believe that we begin in just over two weeks!

Please keep in mind that new families should attend the New Family Orientation meeting on Wednesday, August 8 at 6:00 p.m. in the school cafeteria. All families should attend the Back-to-School Night meeting on Monday, August 13 at 6:00 p.m. in the school cafeteria.

It is with much pleasure that I introduce three new faculty/staff members to our crew. Mrs. Kelli Wittman is our Cafeteria Manager. Mrs. Wittman worked closely with Mrs. Maled for the last several years and is excited to take on the role of manager. Thanks to Mrs. Maled for her continued service throughout the summer for festival and bingo and for helping to start the school year. Mrs. Jaclyn Harvie (mom of Alexis Harvie in kindergarten) is our new Aftercare Director and will be responsible for the care of your children who stay at school during 3:00 – 6:00 p.m. Mrs. Jenny Etter joins our faculty as a fourth grade teacher. After many years of experience in other schools, Mrs. Etter is happy to be at St. Christopher School. As you know, Mrs. Maled (cafeteria) and Mrs. Koss (aftercare) retired after many years of service. Mrs. Theresa Anderson is not returning to St. Christopher. We wish all of these ladies the best in their new adventure!

We are still working on filling the aftercare worker and the cafeteria worker positions. If you or someone you know is interested, please email me at [kking@stchrisindy.org](mailto:kking@stchrisindy.org) or call the school office at 317-241-6314.

As you are purchasing items for school or getting school haircuts, please keep our dress code in mind. You received a copy of this at the end of the school year and another copy is attached to this newsletter. In an attempt to keep distraction at a minimum, it is important that all students adhere to the dress code. Keep in mind that students may not have unnatural colors in the hair and may not have lines/designs cut into their hair. The final decision on whether a style is appropriate or not rests with the school administration.

Please remember that you can find lots of information on our school website: [www.stchristopherschool.net](http://www.stchristopherschool.net). Other than being out for training/professional development, Mrs. Guenin and I are in the office daily.

Teachers have been in and out of the building over the last few weeks and as the final remnants of the festival are disappearing, it is beginning to look like a school again! We are all excited for the start of the 2018 – 2019 school year and hope your children are looking forward to it, too!

Sincerely,

Karen A. King  
Principal
