

Saint Christopher School

Newsletter May 30, 2019

Dear Parents,

God bless our St. Christopher School families as we end our school year. Please continue to help make God a priority in your child's life! Make time for prayer as a family. Pray before meals. Go to church!

Find time to READ! According to research, children who read throughout the summer gain a month of reading proficiency. Children who do not read, lose two to three months of reading skills. Make sure your child is reading!

Have fun playing GAMES! Not video games where children are isolated. Play family board games, card games... games that make your child determine strategies! Games that are good for the brain!

Most of all, enjoy family time together! Thank you for a wonderful school year!

God bless you,

Karen King, Principal

News From Mrs. Etter's Room

We have had a busy May! We started the month finishing up our ILEARN testing for the state. We then moved onto NWEA testing. In social studies, all of the 4th grade students picked a famous Hoosier and portrayed them in a living wax museum. They all did a wonderful job! They all made models of an ecosystem and the animals that live there for science class. It has been full but fun year. I hope everyone has an enjoyable summer!
